

## YEAR-ROUND LIVING AND LEARNING EXPERIENCES AT WALDSEE BIOHAUS

Educators: Waldsee BioHaus provides a *großartiges!*—awesome!—total immersion, educational experience in language, culture and science for students aged 7-18. Visit [concordialanguagevillages.com](http://concordialanguagevillages.com) to learn more about our Village Weekends that can be tailored to a Waldsee BioHaus experience.

Beyond being of interest to language teachers and students, Waldsee BioHaus opens the doors as wide as your imagination for groups interested in a real-life, hands-on *Abenteuer*—adventure—focusing on topics as diverse as modern science, global issues, environmental studies, international relations, peace studies, art and ... you tell us! The interdisciplinary nature of how learning happens at Concordia Language Villages sets the stage for that *unvergessliche*—unforgettable—encounter for learners of all ages from all walks of life.
